REVIEWS

Medium red-purple; an instantly appealing and elegant light- to medium-bodied cabernet with blackcurrant fruit perfectly framed by cedary oak, the overall balance faultless. Easy to walk past this wine because of that balance. Great value, and ready now.

A new range from Xanadu with the initials of Dr John Lagan, founder of Xanadu. Regional dusty bay leaf perfume, mocha, red and black fruit. Medium bodied, fine grained tannin, mild astringent pull and a pretty long tobacco accented finish. Much to like here. That it's not trying too hard makes it all the more appealing. Recommended.
