James Halliday,  
*James Halliday Wine Companion 2016*

Recent Slightly fuller style than usual but no less impressive. Spice, pear and apple flavours shoot enthusiastically through the palate, though the real drama is reserved for the finish, where the symbols come out and the flavours ring loud and clear.

*Winefront, January 2015*

The Grampians are rarely mentioned when riesling is mentioned; this gives that notion a shake. It's quite a full style but it's ripped with spicy flavour and gives the finish a thorough going over. Pear, apple and talc notes get the chatter humming but the climax of zesty lime and spice notes is the real game changer.
