

2013 Cliff Edge Riesling

Winemaking note

Cliff Edge Riesling is sourced from two pristine sites at Mount Langi Ghiran; the Langi Old Block Riesling planted in 1975 makes up the core of this blend, with the remainder harvested from our Hollows vineyard – a marginally warmer site on the northern slopes of Mount Langi Ghiran.

Langi's very cool climate, together with granite sands and minimal irrigation delivers great purity and stunning natural acidity.

The Hollows brings beautifully lifted floral and spice aromas, and wonderful texture and generosity to the palate. Together, the two create an intense and balanced wine with great cellaring potential.

The Langi Geisenheim clone consistently produces wines with lifted floral and spice aromas complementing the citrus and mineral acidity. A cool, clean ferment with neutral yeast allows the varietal character and vineyard expression to shine..

Technical analysis

Fermentation method Stainless steel, cool ferments (15C), light solids
Alcohol 13% PH N/C Residual sugar N/C

2013 Cliff Edge Riesling

Tasting note

Colour Light straw with hints of green.

Aromas Lemon blossom, lime zest, rose and mineral undertones.

Palate Tight, layered and lively with lime and orange zest, kiwi fruit and long, flinty mineral notes underpinned by a deep and pure acidity.

Cellar now to 10 years.

“Mineral notes underpinned by a deep and pure acidity.”
